

Jesus is knocking!

The Elders are assembling the Pastoral Nominating Committee or “PNC”.

Are you interested in discerning who will be our next pastoral candidate?

Do you feel you understand the mission and vision of Lampstand Church?

Do you consider yourself connected to the church, competent and spiritually mature?

If so and you would like to be considered for the PNC, email us at Lampstandquestions@gmail.com by 5/12.

The PNC will be formed of covenant partners from our congregation. The session will choose a group of candidates to

be approved by congregational vote.

Serving on the PNC will require a high level of commitment, time and discretion. You will be tasked in seeking out and vetting potential pastoral candidates, conducting research, virtual and in person interviews and arranging visits with candidates, all while seeking God’s wisdom.

We ask that all covenant partners be in prayer for this entire process.
